BETA EPSILON CHAPTER

UDPD + KA Philanthropy Event

On April 10, the gentlemen of Kappa Alpha Order hosted a BBQ alongside Sigma Kappa and the University of Delaware Police Department.

The event was a great success, as we ended up raising hundreds of dollars for our national philanthropy, the Wounded Warrior Project.

We look forward to our next event with the UDPD this upcoming fall.

Spring Break

- This Spring Break was certainly an eventful one for the brothers of KA. Members of our chapter traveled all across the world, with destinations including Fort Lauderdale, Punta Cana, Costa Rica, Nashville, Colorado, and Australia.
- Spring Break provided a great opportunity for the brothers to take a break from classes, recharge, and enjoy time together before returning refreshed and ready to finish the semester strong.

Fools In The Sun Brotherhood Event

At UD an up-and-coming band called Fools In The Sun has quickly become a favorite around campus.

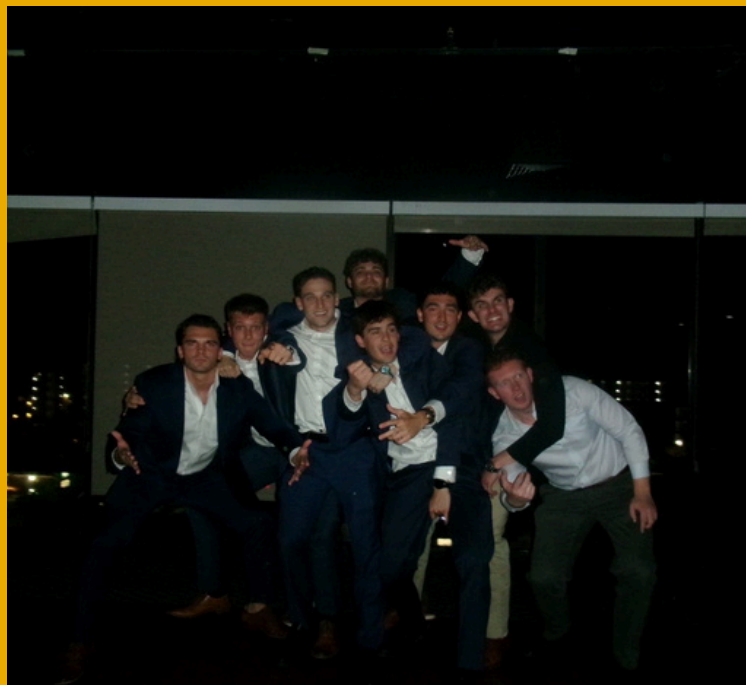

This spring, we partnered with the band to host a ticketed event alongside our brothers and several sororities. The event brought together students from across campus for a fun and memorable night.

Beach Weekend 2026

Also, this spring, the brothers of KA took their annual beach trip to OCMD and couldn't have had a better time.

They kicked things off Friday night with their Senior Award Ceremony at the Vista Rooftop Hotel in OCMD and followed it with a great day on the beach.

Shoutout to **Zach Maksimiak** for winning "Mr. KA" and new member **Kent Holcombe** for winning "Rookie Of The Year" - the two most prestigious awards our chapter has to offer.
